Fundraising Efforts 2015

This year we have been working really hard to raise money to try and improve our scout hut. We have raised an amazing amount of £4676.52, through events and grants, towards our target of £5550.00 for improving the toilets and windows.

We have also secured other grants.

£1000.00 from Tesco to purchase gardening equipment.

£490.40 from Sheffield Ward Pot Grant, towards sports equipment and a new event shelter.

We have several other grant applications in process and we await the outcome of these.

In the New Year, hopefully you will start to see improvements to the scout hut.

However once we have raised enough funds for the toilets and windows, there is still much more work to be done.

We will be continuing to raise money in 2016 and look forward to your ongoing support.

Many Thanks
